WORK EXPERIENCE

UI/UX Designer and Webflow Developer
UpWork | Apr 2023 - Present

As an Experienced UI/UX Designer and Webflow Developer on Upwork. I design user-friendly websites that look great and are easy to use. Using Webflow, I turn these designs into real websites that work well on different devices.

Webflow Developer
Fiverr | Apr 2022 - Present

I excel as a Webflow Developer on Fiverr, focusing on crafting websites that offer both ease of use and striking design. My proficiency lies in translating designs into responsive websites that deliver a seamless user experience, backed by my expertise in Webflow.

Frontend Web Developer
Fiverr | Aug 2021 - Apr 2023

During my tenure as a Frontend Web Developer on Fiverr, I honed my skills in developing websites that stand out for their user-friendliness and visual appeal. My specialization in Webflow empowered me to seamlessly convert designs into dynamic, device-friendly websites, contributing to the enhancement of user engagement.
